

Table

Data are presented in table, for example

`expense-en.png`

Click `table-refresh.png` to refresh table

Click `table-row-select.png` to change table rows

Enter keyword in `table-searchbox-en.png` to search within table

`table-count.png` indicates displaying / total items within table

Click `table-paginator.png` to switch between pages

Table column with `table-sortable.png` indicates sortable; column with `table-asc-sort.png` indicates sorting in ascending order; column with `table-desc-sort.png` indicates sorting in descending order.
