Introducción

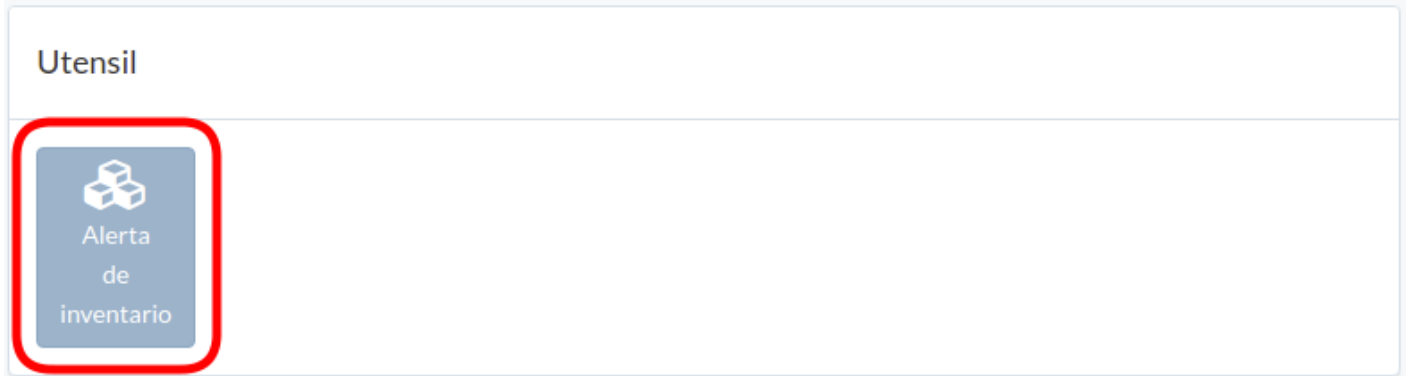

Following shows a sample window.

The chapter describes features available within the window.

`vrn-tool-es.png`

Alerta de inventario

Click "Inventory alert" in tool window

Select product & location; enter lower/upper limit, and validity.

Click "+ Add line" if more alert is needed.

Click "Update" when done.

A screenshot of a form titled 'Alerta de inventario'. The form contains several input fields and buttons. At the top left is a dropdown menu labeled 'Producto' with the text 'Todos los productos' and a downward arrow. To its right are two input boxes: 'Límite inferior' containing the number '0' and 'Límite superior' containing the number '1'. Further right is a 'Válido' section with a blue square containing a white checkmark. Below the 'Producto' dropdown is another dropdown labeled 'Ubicación' with the text 'Todas las ubicaciones' and a downward arrow. At the bottom left is a button labeled '+ Agregar línea'. At the bottom right is a button labeled 'Actualizar' with a document icon.
